

Brainingcamp **LIVE**

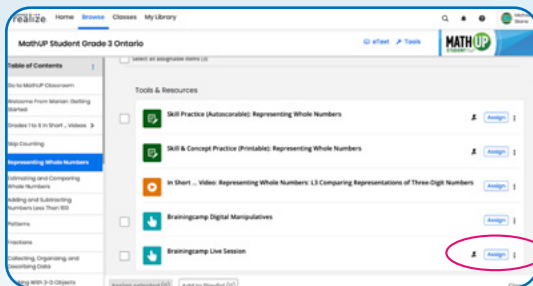

Using Brainingcamp LIVE within **MATHUP** STUDENT

Step 1

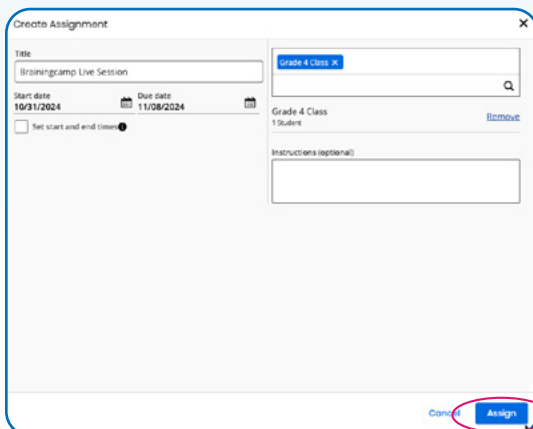

Log in to MathUP Student.

Open any topic and find “Brainingcamp Live Session” under “Tools and Resources.”

Step 2

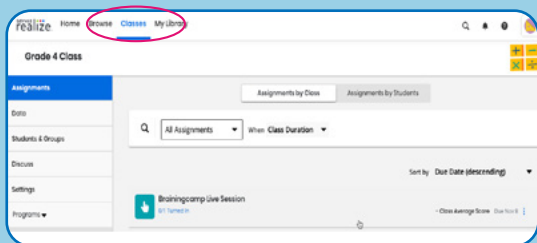

Click the Assign button in the Brainingcamp Live Session row.

Step 3

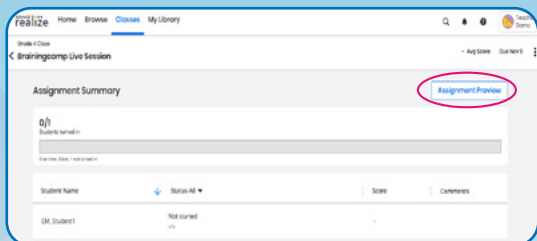

Select class, group, or student. Click Assign.

Pro Tip: Title your assignment with the lesson or date to identify the correct session.

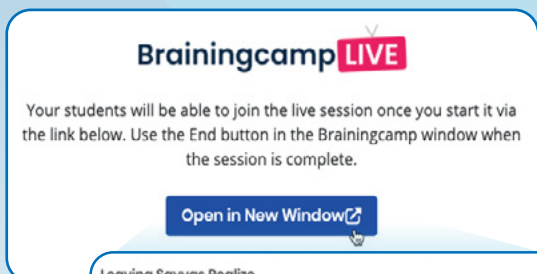

Step 4

Go to Classes on your top navigation bar, choose the class, and then the Brainingcamp assignment.

Step 5

Click Assignment Preview.

Step 6

Open in New Window.

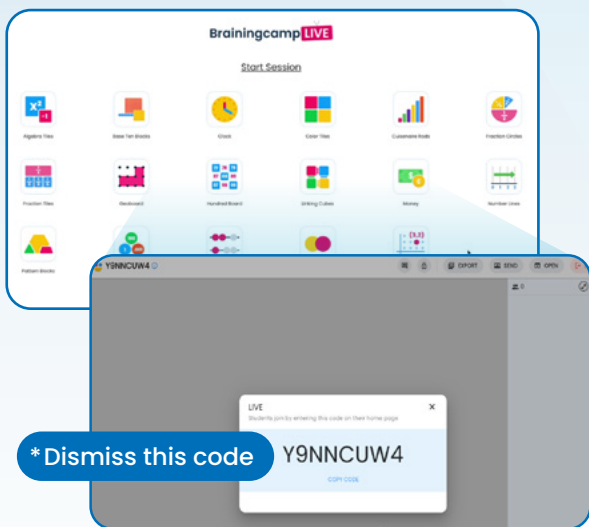

Acknowledge you are leaving the Savvas Realize® website by clicking "OK."

Step 7

Pick and Click on a Manipulative.

**You can dismiss the code. Students will automatically be linked to your session without a code.*

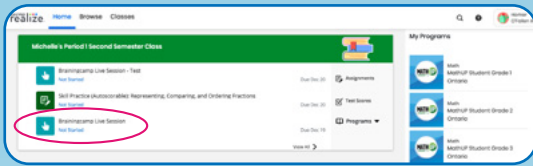

Step 8

Enjoy!

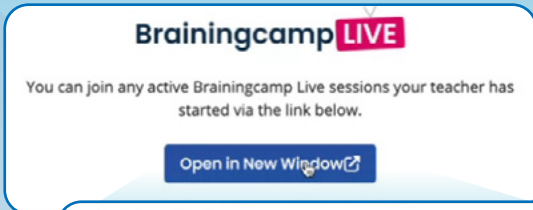

Student Instructions
