

Lesson Planning Resources

Steps to Success:

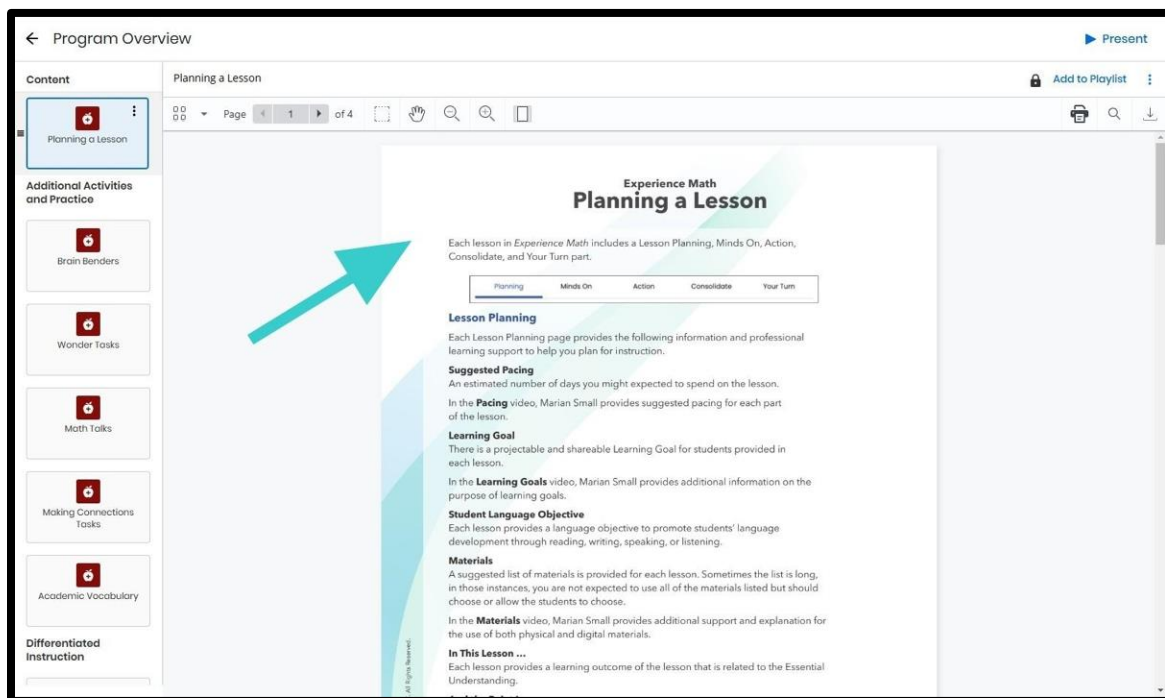

1. Navigate to your **Experience Math** dashboard. Click on **Program Overview** in the Table of Contents.

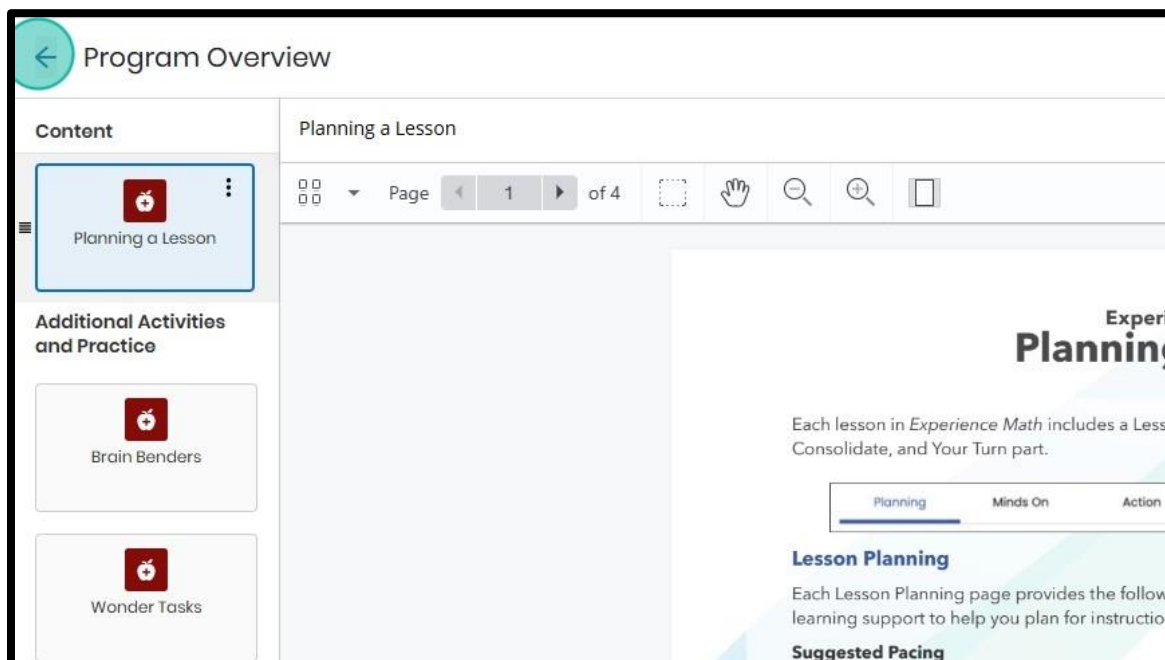

2. Scroll down to the **Planning for Instruction** section. Click on the **Planning a Lesson** document for valuable information and considerations for lesson planning.

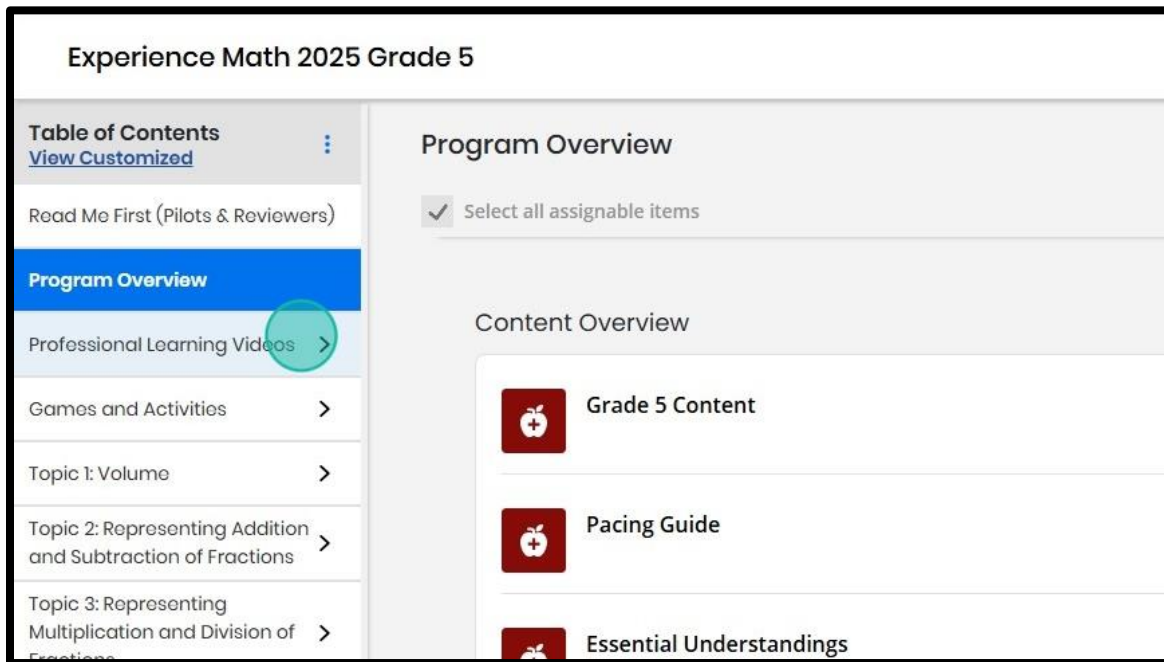

3. Review the document

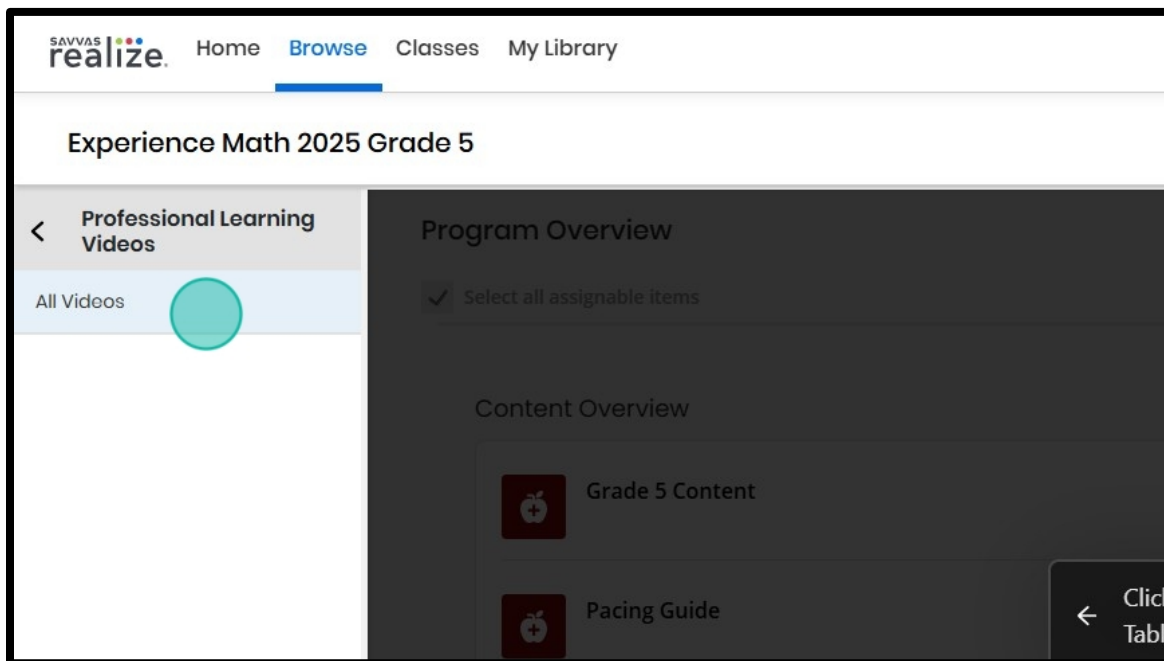

4. Click the back arrow to view the Table of Contents.

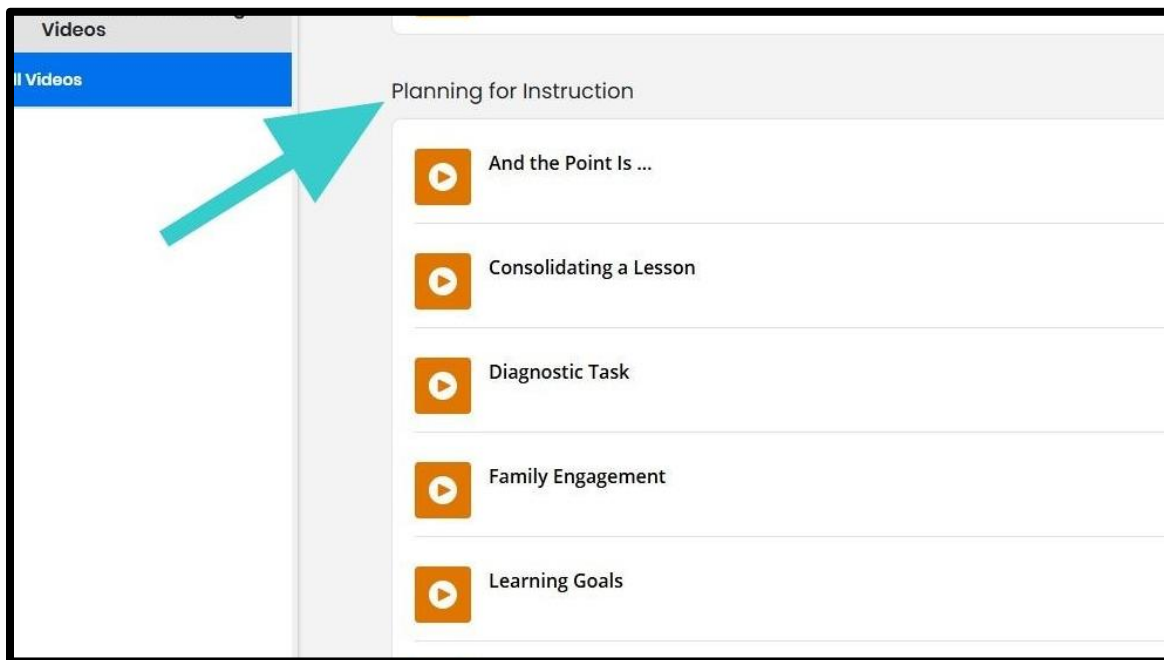

5. Click on **Professional Learning Videos** in the Table of Contents.

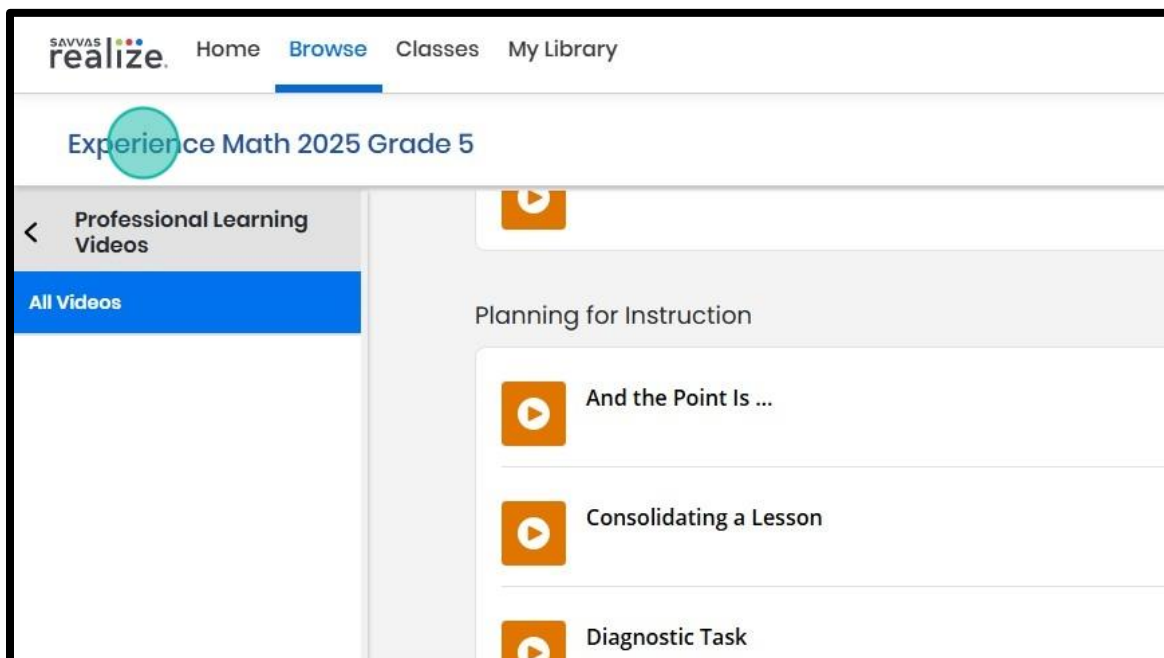

6. Click on **All Videos**.

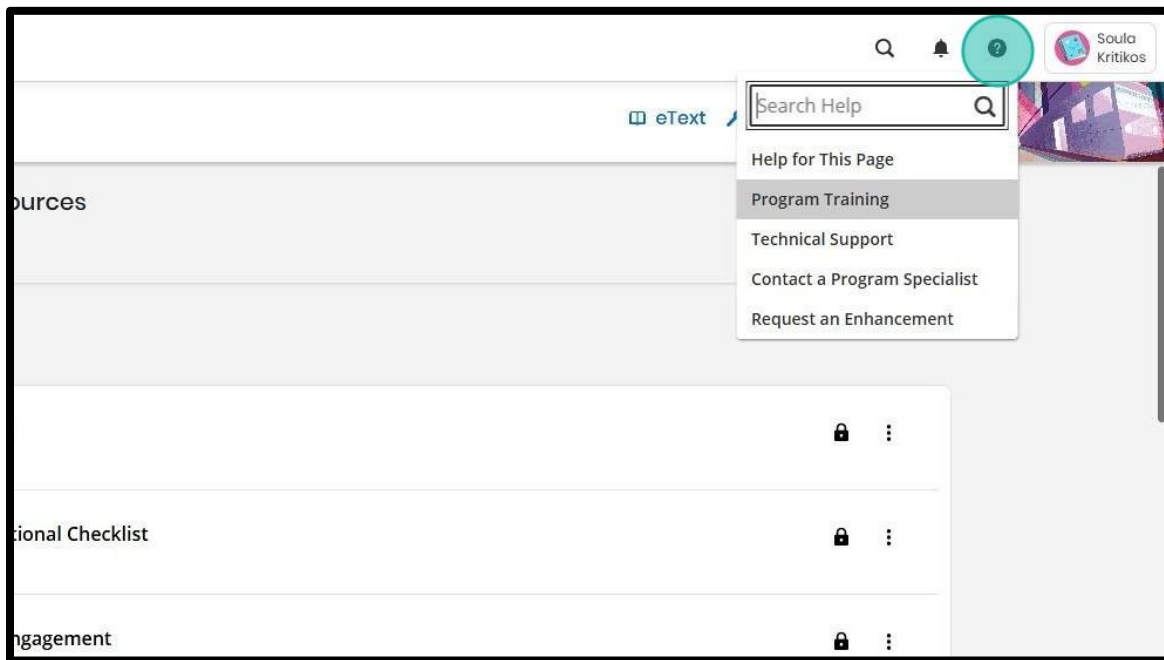

7. Scroll down to the **Planning for Instruction** section. Click on any of the listed videos for additional information regarding lesson planning.

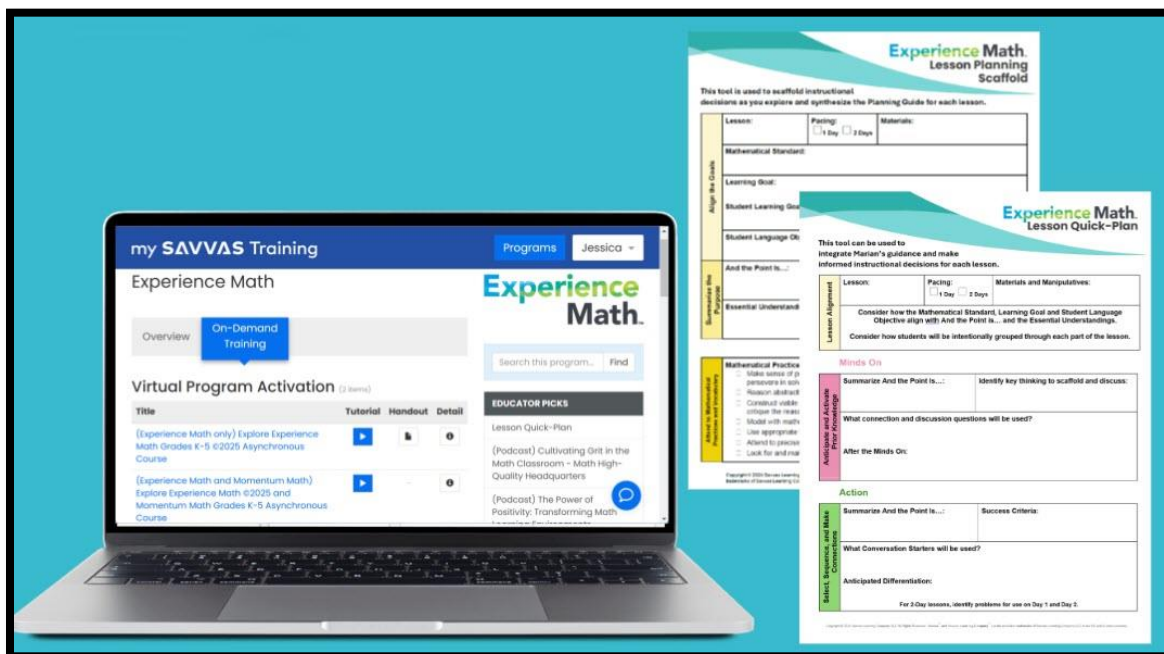

8. Click on your **Experience Math** program to return to your dashboard.

9. Click on the **Help** button. Click **Program Training** in the drop-down menu to access **My Savvas Training**.

10. Download the **Lesson Quick-Plan** and **Lesson Planning Scaffold** to help organize your thinking as you prepare to plan a lesson.

Thank you for viewing these Steps to Success! We hope you found this tutorial helpful. Be sure to check out [My Savvas Training](#) for more tutorials and tips.
