

Additional Practice at the Program Level

Steps to Success:

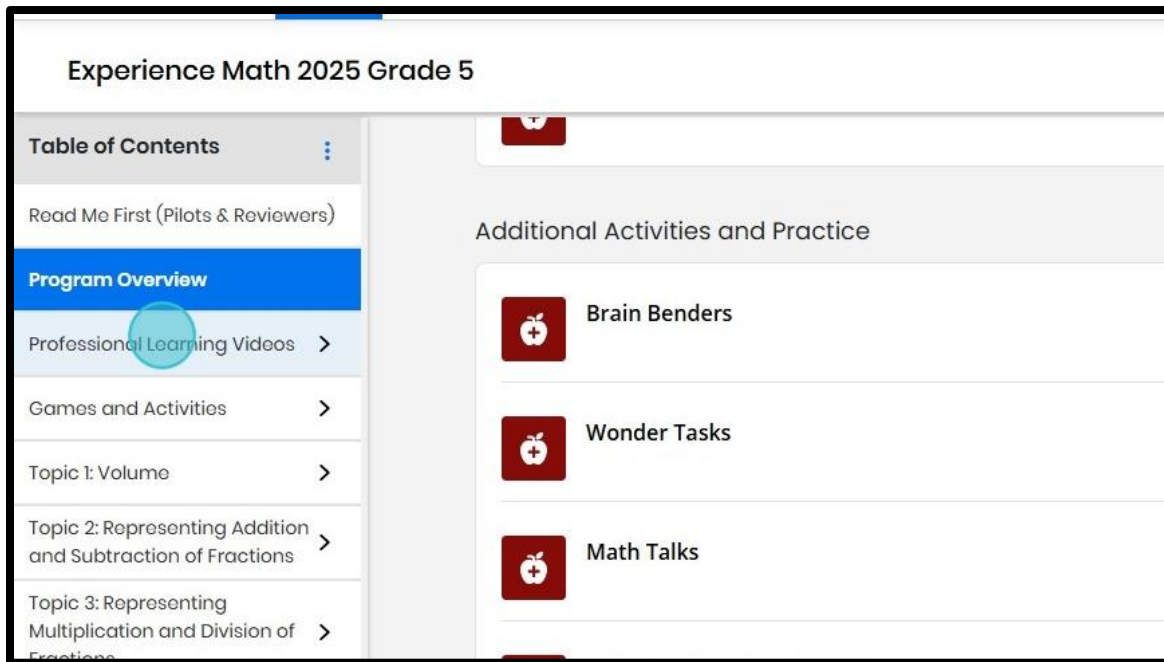

1. Navigate to your **Experience Math** dashboard. Click on **Program Overview** in the Table of Contents.

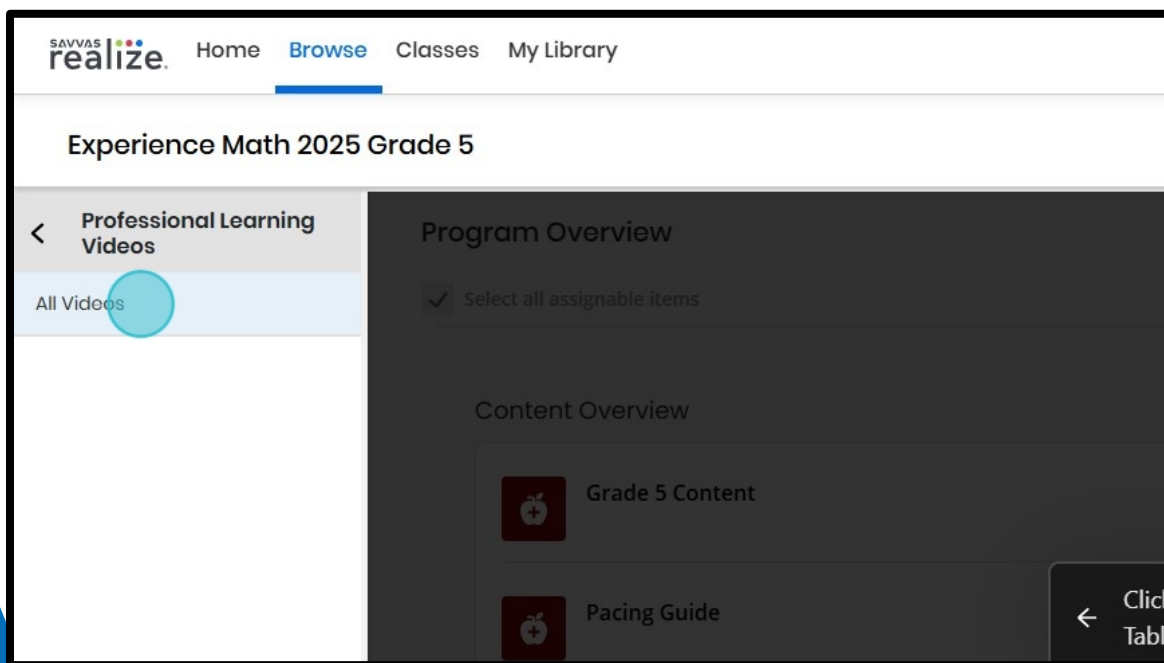

2. Scroll down to the **Additional Activities and Practice** section. Click on any of the listed documents for additional information regarding the particular activity.

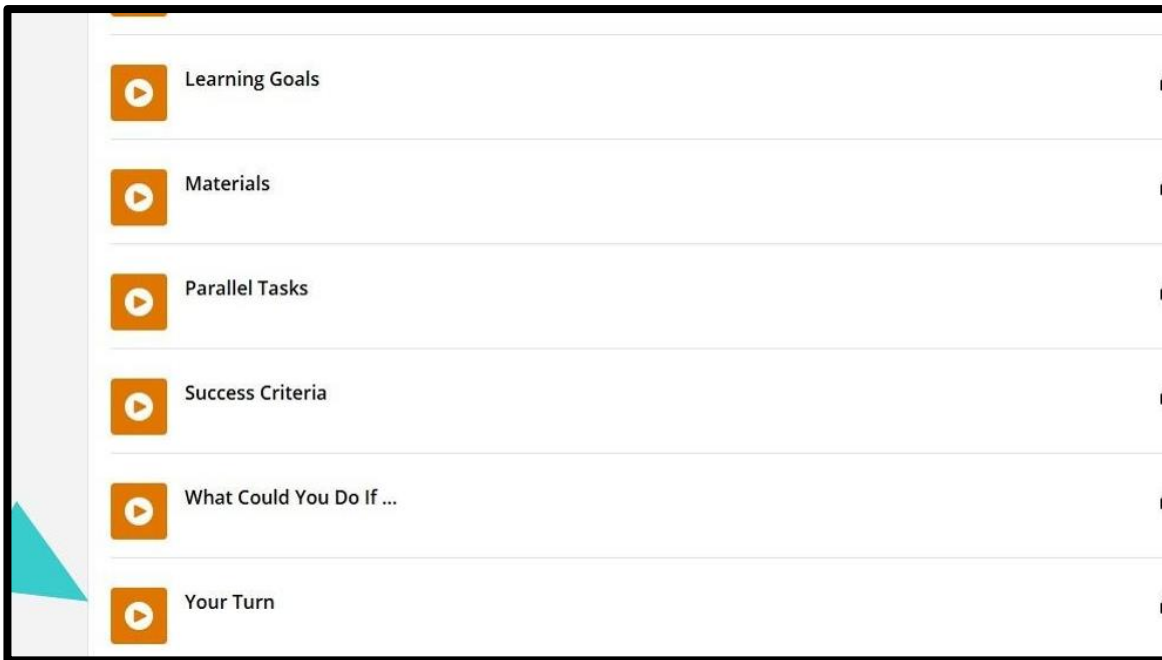

3. Click on **Professional Learning Videos** in the table of Contents.

4. Click on **All Videos**.

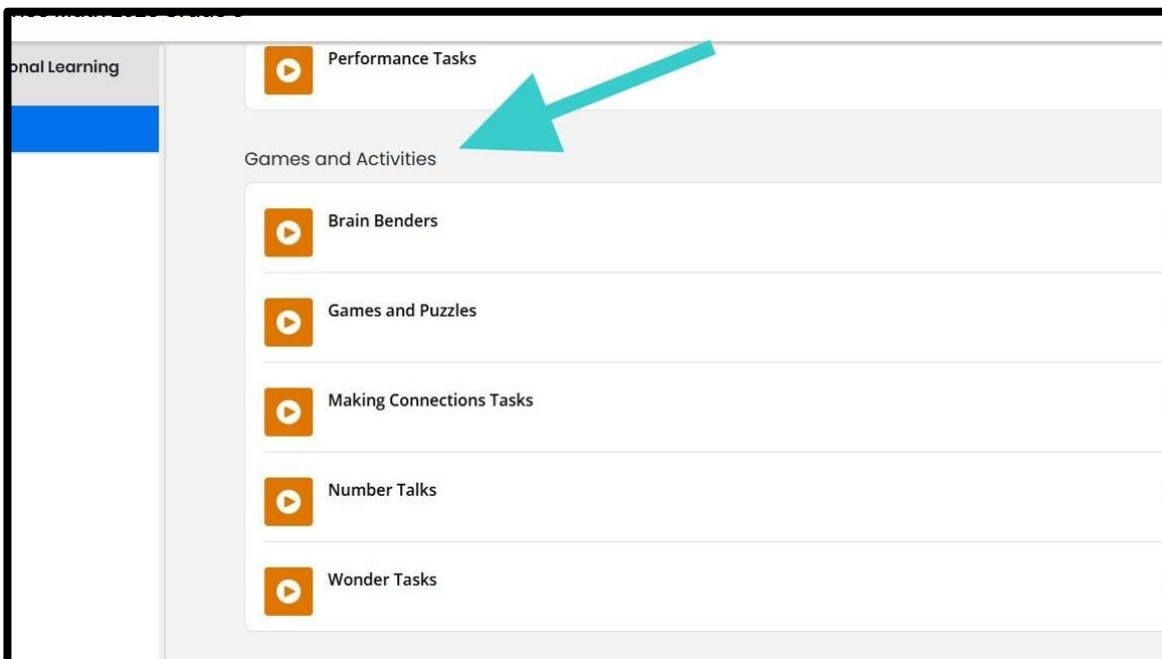

5. Scroll down to the **Planning for Instruction** section. Click on the **Your Turn** video.

Tip! The Your Turn activities are part of the various Additional Practice activities at the lesson level for Experience Math.

6. Scroll down to the **Games and Activities** section. Click on any of the videos listed for additional information about the specific activity.

Thank you for viewing these Steps to Success! We hope you found this tutorial helpful. Be sure to check out [My Savvas Training](#) for more tutorials and tips.
