

Student: Clever Log-In & Initial Set Up

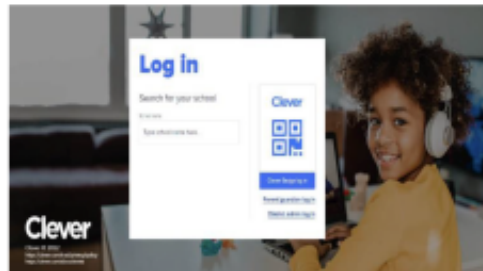

NOTES:

- If you have a Clever account, follow the instructions below in [“Logging in to Clever”](#) in blue.
- If you do not have a Clever account, follow the instructions below “[Savvas Realize Log In](#)” in purple.

Logging in to Clever

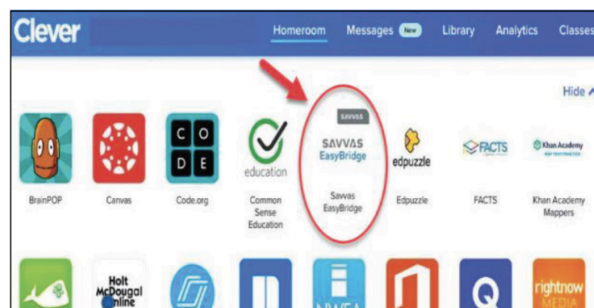

NOTE: Only use these steps if you have a Clever account.

1. Log in to Clever SSO

Once you have logged into Clever, you will see your Clever dashboard.

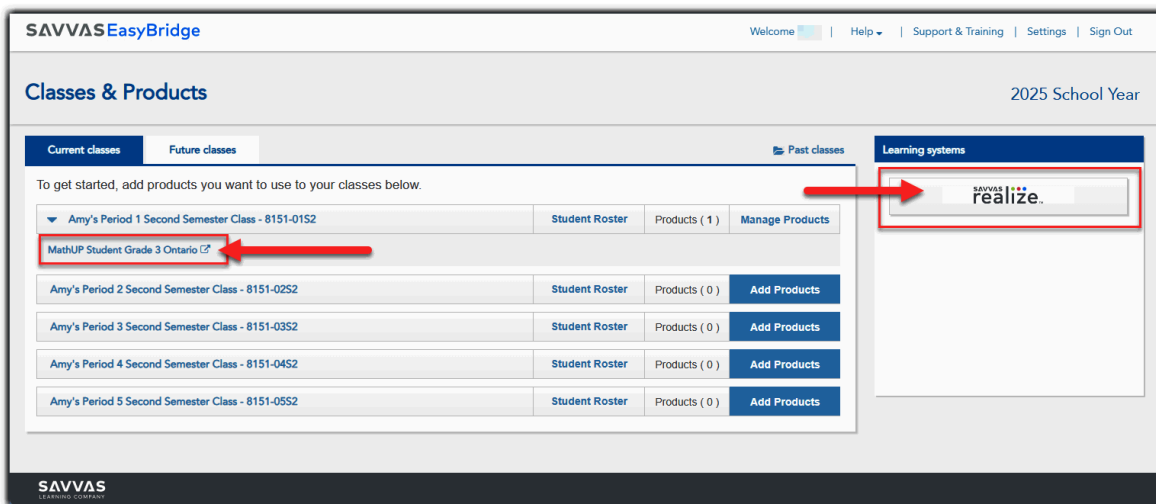

2. Select the “Savvas EasyBridge” link.

Accessing MathUP Student or Sankofa K-3

Now that you have successfully logged into Clever and have accessed Savvas Easy Bridge, you can now begin to access MathUP Student or Sankofa K-3.

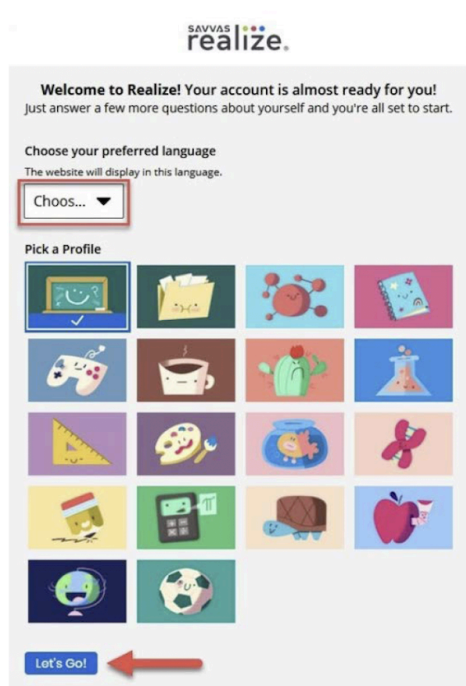

1. Select “Savvas Realize” from the Learning Systems menu on the right side.

You will now be taken into Savvas Realize (the platform where your resource lives).

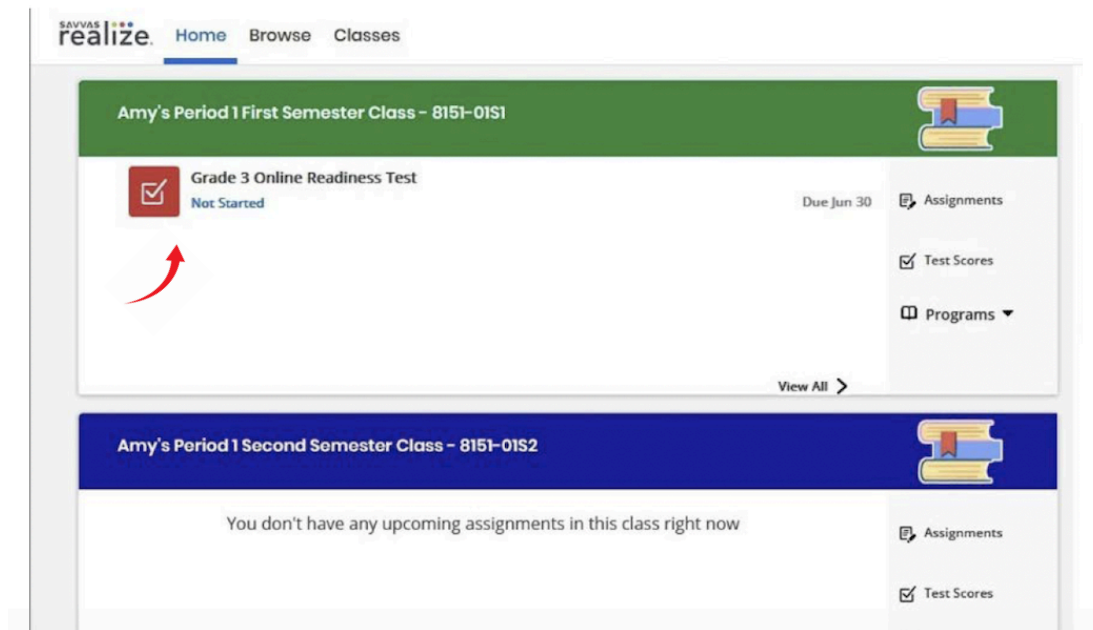

2. Set up your Savvas Realize Student profile following the steps pictured below.

(Note: You will only need to do this once - the first time you log in).

Savvas Realize will now open in a new tab in the browser.

3. Go to the class you wish to enter and select the assignment provided to you by your Teacher.

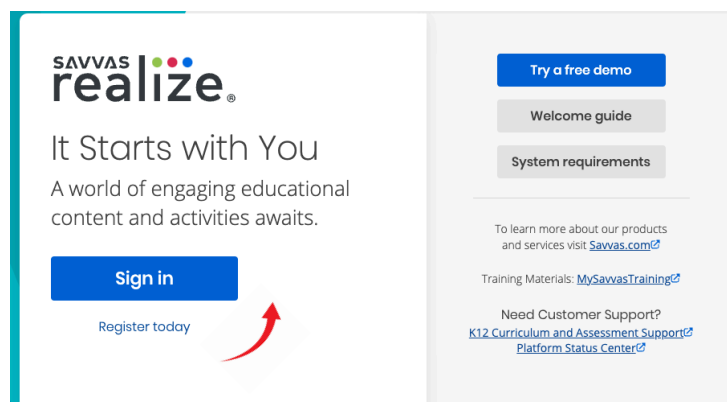

4. Complete the assignment and turn it in. *The assignment will then be sent to your Teacher to review and assess.*

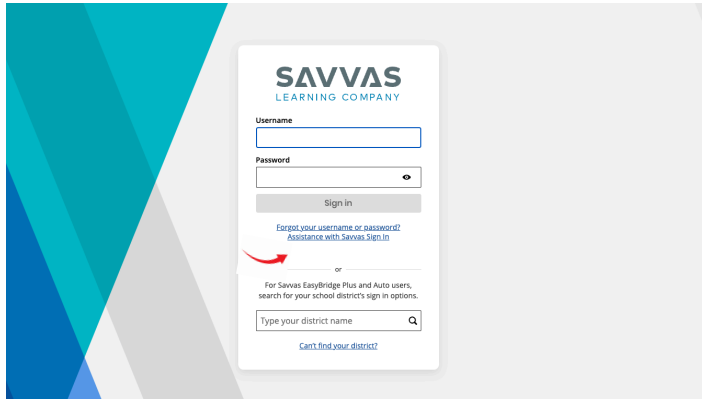

Savvas Realize Log In

NOTE: Only use these steps if you do not have a Clever account.

1. Go to www.savvasrealize.com and select "Sign in"

2. Select "Forgot user name or password"

[Forgot your username or password?](#)
[Assistance with Savvas Sign In](#)

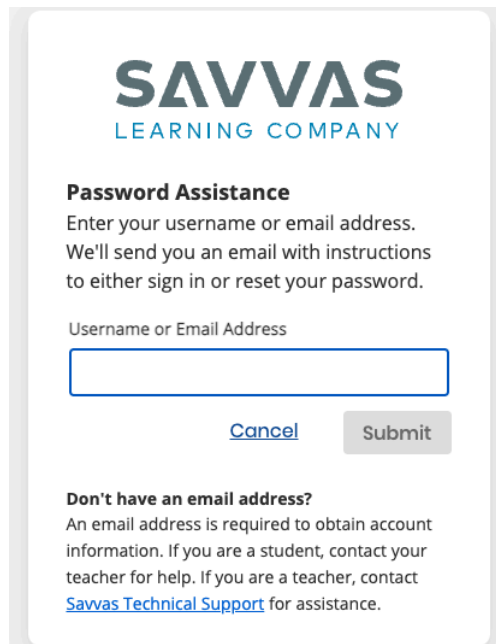

or

For Savvas EasyBridge Plus and Auto users, search for your school district's sign in options.

Type your district name

[Can't find your district?](#)

3. Put in your school/district email address:

SAVVAS
LEARNING COMPANY

Password Assistance

Enter your username or email address.
We'll send you an email with instructions to either sign in or reset your password.

Username or Email Address

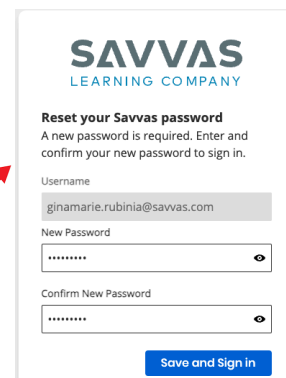

[Cancel](#)

Don't have an email address?
An email address is required to obtain account information. If you are a student, contact your teacher for help. If you are a teacher, contact [Savvas Technical Support](#) for assistance.

*The system will send you an email with your username and a link to set the password for it.
(If you cannot locate the email, please check your SPAM or JUNK folder.)*

4. Within the email you receive from the system, select the "Reset Password" link. You will be automatically directed to this screen.

5. Reset your password to something you will remember and store it in a secure place.

SAVVAS
LEARNING COMPANY

Reset your Savvas password
A new password is required. Enter and confirm your new password to sign in.

Confirm New Password

6. Once you have reset your password, → Go to savvasrealize.com and sign in with your credentials.

7. Set up your Savvas Realize Student profile following the steps pictured below.

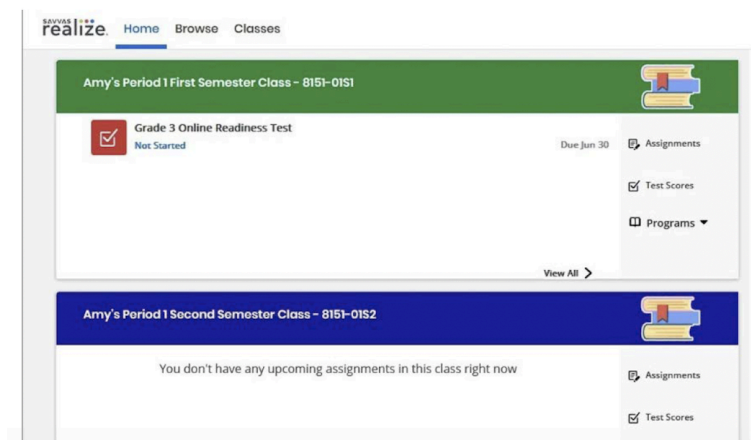

(Note: You will only need to do this once - the first time you log in).

The screenshot shows the Savvas Realize student profile setup interface. At the top, it says "Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start." Below this, there is a section "Choose your preferred language" with a dropdown menu labeled "Choose...". Underneath, there is a "Pick a Profile" section with a grid of 20 colorful icons representing different interests or subjects, such as a laptop, a folder, a red heart, a book, a game controller, a coffee cup, a cactus, a lightbulb, a ruler, a paint palette, a fishbowl, a butterfly, a soccer ball, a calculator, a pie, and a red apple. At the bottom left of the grid is a blue button labeled "Let's Go!" with a red arrow pointing to it.

Savvas Realize will now open in a new tab in the browser.

8. Go to the class you wish to enter and select the assignment provided to you by your Teacher.

The screenshot shows the Savvas Realize student dashboard. At the top, there is a navigation bar with "Home", "Browse", and "Classes". Below this, there are two class cards. The first card is titled "Amy's Period 1 First Semester Class - 8151-01S1" and features a green header. It lists an assignment: "Grade 3 Online Readiness Test" with a status of "Not Started" and a due date of "Due Jun 30". To the right of the assignment, there are links for "Assignments", "Test Scores", and "Programs". The second card is titled "Amy's Period 1 Second Semester Class - 8151-01S2" and features a blue header. It states "You don't have any upcoming assignments in this class right now" and has links for "Assignments" and "Test Scores".

<p>9. Complete the assignment and turn it in. <i>The assignment will then be sent to your Teacher to review and assess.</i></p>
