# Student Google Classroom Log-In (SSO)

Logging in through Google SSO
1. **Go to Google Classroom:**   2. **Be sure to log in with your <u>school/district</u> Google Account:**
Accessing MathUP Student <u>or</u> Sankofa K-3

The first time you access an assignment from Google Classroom, you will be asked to allow the connection between Savvas Realize and Google.

(Savvas Realize is where your resource lives)

1. Select **"Allow"**:
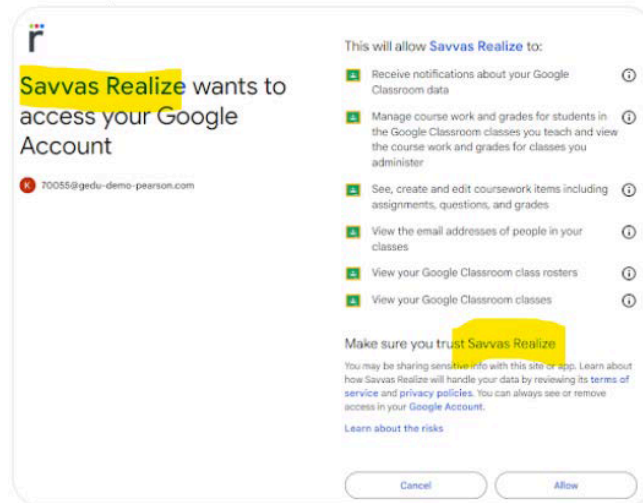

2. **SavvasRealize will open in a new tab in the browser.**
   You can now begin using the resource and completing any assignments assigned to you by your teacher.
