

Teacher: Clever Log-In & Initial Set Up

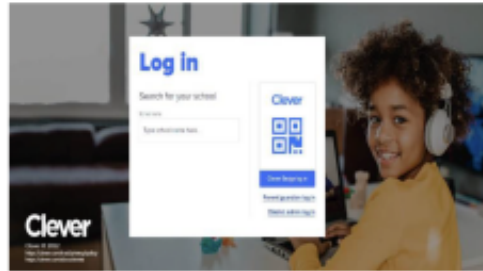

NOTES:

- If you have a Clever account, follow the instructions below in [“Logging in to Clever”](#) in blue.
- If you do not have a Clever account, follow the instructions below “[Savvas Realize Log In](#)” in purple.

Logging in to Clever

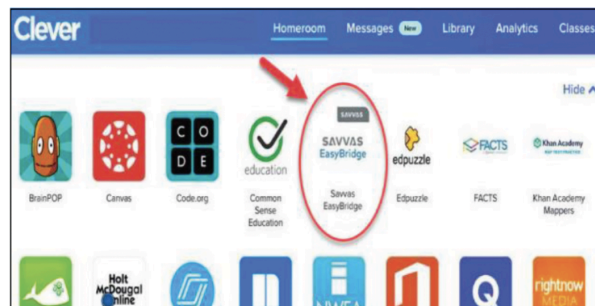

NOTE: Only use these steps if you have a Clever account.

1. Log in to Clever SSO

Once you have logged into Clever, you will see your Clever dashboard.

2. Select the “Savvas EasyBridge” link.

Accessing MathUP Student or Sankofa K-3

Now that you have successfully logged into Clever and have accessed Savvas Easy Bridge, you can now begin to access your resources content.

1. Select “Savvas Realize” from the Learning Systems menu on the right side.

SAVVAS Learning Company

SAVVAS realize.

You will now be taken into Savvas Realize (the platform where your resource lives).

2. Set up your Savvas Realize Teacher profile following the steps pictured below.

(Note: You will only need to do this once - the first time you log in).

SAVVAS realize.

Welcome to Realize! Your account is almost ready for you!
Just answer a few more questions about yourself and you're all set to start.

What is your Display Name?
This is the name your students will see in the platform. For example, Mrs. Smith.

TeacherName

What grades do you teach?

Select all the grades that you teach.

☐ Pre-K ☒ Grade 3 ☐ Grade 7 ☐ Grade 11
☐ Kindergarten ☐ Grade 4 ☐ Grade 8 ☐ Grade 12
☐ Grade 1 ☐ Grade 5 ☐ Grade 9
☐ Grade 2 ☐ Grade 6 ☐ Grade 10

Back Continue

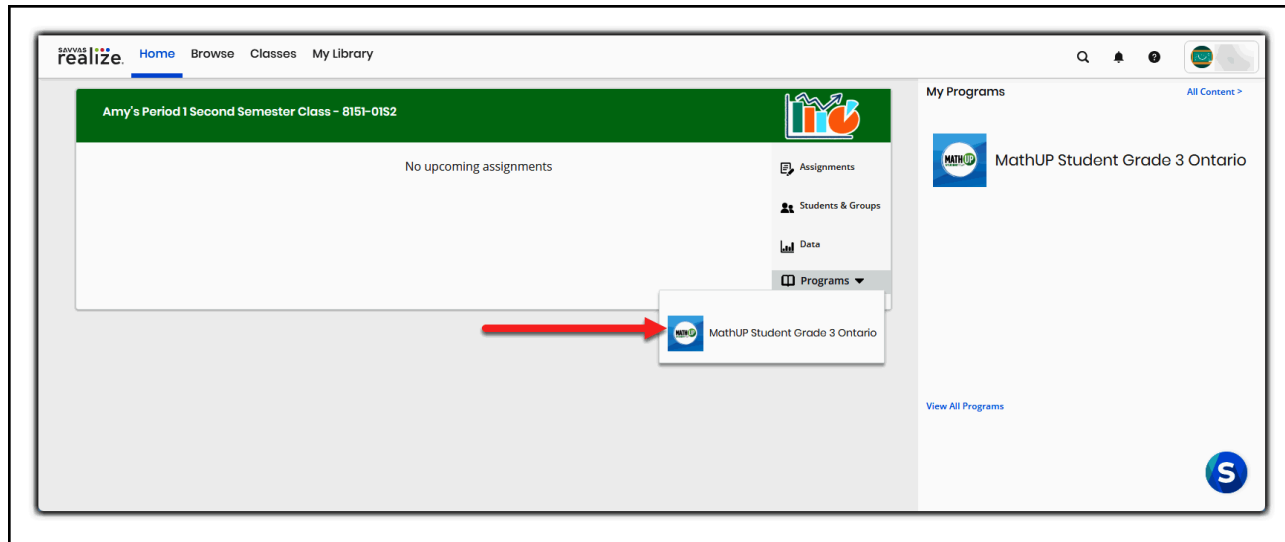

You can change any of the selections later in Settings.

The first screenshot shows the 'Welcome to Realize!' screen with a progress bar at the first step. The question is 'What programs do you use?' with instructions to select at least one program. A red arrow points to the 'Continue' button.

The second screenshot shows the same screen with a list of MathUP Student programs for Grades 1 through 9 Ontario. A red arrow points to the checkbox for 'MathUP Student Grade 3 Ontario'. Another red arrow points to the 'Continue' button at the bottom.

The third screenshot shows the 'Is your information correct?' screen with a progress bar at the third step. It displays the selected role as 'Teacher', teaching 'Grade 3', and using 'MathUP Student Grade 3 Ontario'. A checkbox for 'I agree to the [license agreement](#)' is checked, with a red arrow pointing to it. Another red arrow points to the 'Let's Go!' button.

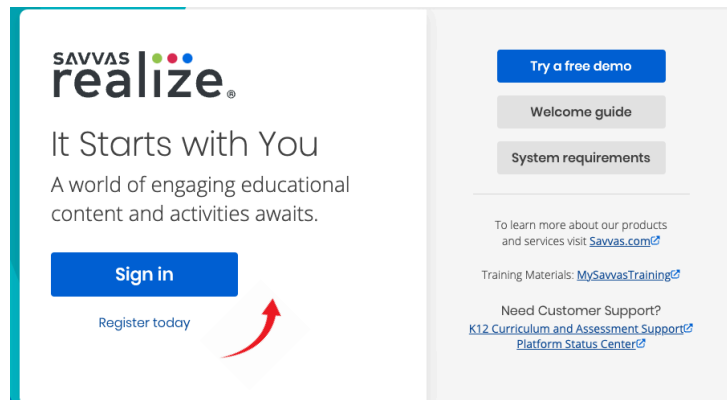

3. Savvas Realize will now open in a new tab in the browser, and you can begin assigning and using the content in your class.

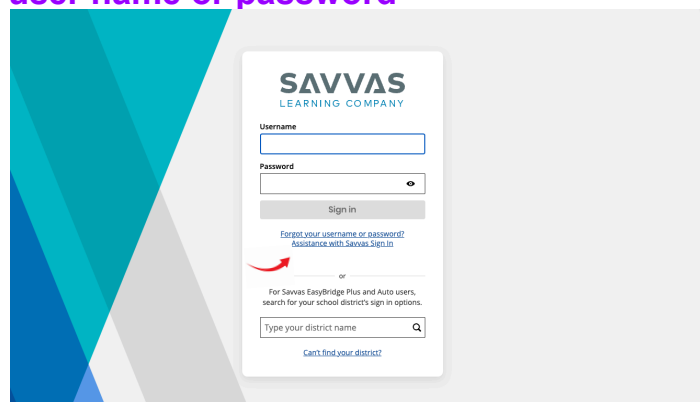

Savvas Realize Log In

NOTE: Only use these steps if you do not have a Clever account.

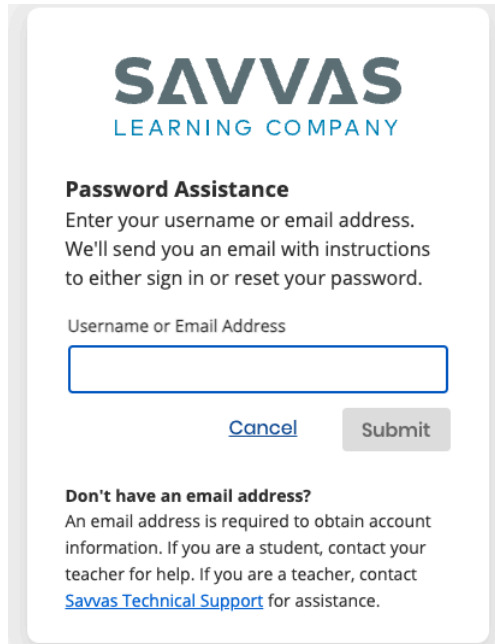

1. Go to www.savvasrealize.com and select "Sign in"

2. Select "Forgot user name or password"

3. Put in your school/district email address:

SAVVAS
LEARNING COMPANY

Password Assistance
Enter your username or email address.
We'll send you an email with instructions to either sign in or reset your password.

Username or Email Address

[Cancel](#)

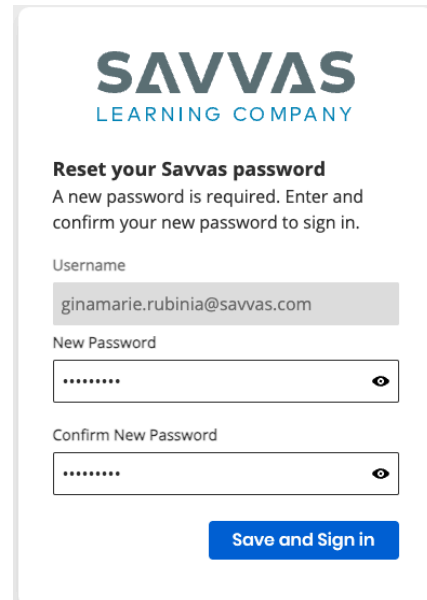

Don't have an email address?
An email address is required to obtain account information. If you are a student, contact your teacher for help. If you are a teacher, contact [Savvas Technical Support](#) for assistance.

*The system will send you an email with your username and a link to set the password for it.
(If you cannot locate the email, please check your SPAM or JUNK folder.)*

4. Within the email you receive from the system, select the “Reset Password” link. You will be automatically directed to this screen.

5. Reset your password to something you will remember and store it in a secure place.

SAVVAS

6. Once you have reset your password, → Go to savvasrealize.com and sign in with your credentials.

7. Set up your Savvas Realize Teacher profile following the steps pictured below.

(Note: You will only need to do this once - the first time you log in).

The screenshot shows the 'What is your Display Name?' setup screen. At the top, it says 'Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start.' Below this is a text input field labeled 'TeacherName' with a red arrow pointing to it. Underneath is a 'Pick a Profile' section with a grid of 16 colorful icons representing different subjects and activities. At the bottom right, there is a blue 'Continue' button with a red arrow pointing to it. A progress bar at the top shows the first step is complete.

The screenshot shows the 'What grades do you teach?' setup screen. It says 'Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start.' Below is a section titled 'What grades do you teach?' with the instruction 'Select all the grades that you teach.' There is a grid of checkboxes for grades from Pre-K to Grade 12. 'Grade 3' is selected. At the bottom right, there is a blue 'Continue' button with a red arrow pointing to it. A progress bar at the top shows the first two steps are complete.

The screenshot shows the 'What programs do you use?' setup screen. It says 'Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start.' Below is a section titled 'What programs do you use?' with the instruction 'Select all the programs you want to include in your account. You must select at least 1.' There are two buttons: 'Back' and 'Continue'. The 'Continue' button has a red arrow pointing to it. A progress bar at the top shows the first three steps are complete.

The screenshot shows the 'What programs do you use?' setup screen with a list of MathUP programs. It says 'Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start.' Below is a section titled 'What programs do you use?' with the instruction 'Select all the programs you want to include in your account. You must select at least 1.' There is a list of MathUP programs from Grade 1 to Grade 9 Ontario. The checkbox for 'MathUP Student Grade 3 Ontario' is selected, with a red arrow pointing to it. At the bottom right, there is a blue 'Continue' button with a red arrow pointing to it. A progress bar at the top shows the first four steps are complete.
