

## Teacher: EasyBridge Log In

### Logging into EasyBridge

1. Go to your unique district URL (*this URL will be provided to you by your district administrator*).

2. Enter your username

3. Enter your password

(*Your username & password will be provided to you by your district admin*)

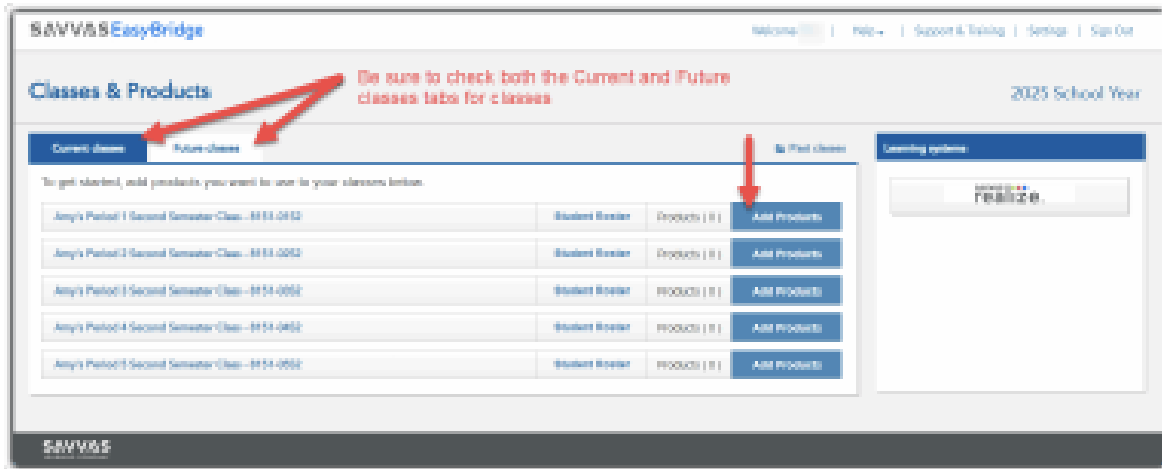

4. Select: "Sign In"

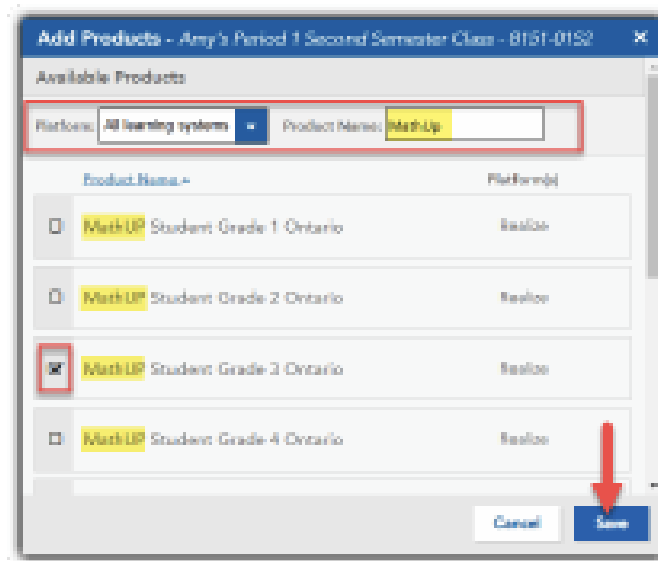

### Accessing MathUP Student or Sankofa K-3

Now that you have successfully logged into EasyBridge, *it will open in a new tab in the browser*, and you can start to access MathUP Student or Sankofa K-3.

1. In the Teacher Dashboard, select **Add Products** to add the desired product to the class or classes you wish to use it with:

2. Select the MathUP Student or Sankofa K- products (Grades) you wish to access with that class.

3. Once complete, In the teacher dashboard, click the “Savvas Realize” button from the “Learning Systems” menu, OR select the name of the Product under the class you wish to access.

*(Savvas Realize is where the resource lives).*
